OPERATION CIRCULAR 11 of 2010

Revision 1, dated 15th September, 2010

Sub :- Approval of training captain – Breath analyzer report

Training Captains are approved for the purpose specified in Rule 41 A and Schedule II of Aircraft Rules, 1937. CAR, Section 7, Series 'I' specifies the qualification, experience and training requirements to be eligible to become training captains. Training Captains perform various functions in accordance with the privileges confined to them under provisions of CAR.

All Operators shall submit the following documents along with other requirements as specified in CAR for approval as check pilot / instructor / examiner (as applicable)

- Certificate from the Chief of training / operations that the proposed training captain was not involved in breath analyzer positive case / test during preceding three years.

Above is for strict compliance by all operators.
