OPERATIONS CIRCULAR No.10 OF 1995

Para 3.3.2 of Section 3 to Schedule IV to the Aircraft Rules, 1937 requires that no deviation shall be made from the flight plan without informing the appropriate Air Traffic Services unit as soon as practicable. An investigation into a recent aircraft accident revealed that this requirement had not been strictly adhered to while the flight deviated from the flight plan.

Operators are, therefore, advised to issue instructions to their crew members for strict compliance of this requirement.
