## OPERATIONS CIRCULAR 11 of 2010

**Subject: Approval of training captain – Breath analyzer report and simulator print out**

Training Captains are approved for the purpose specified in Rule 41A and Schedule II of Aircraft Rules, 1937. CAR Section 7, Series 'I' specifies the qualification, experience and training requirements to be eligible to become training captains. Training Captains perform various functions in accordance with the privileges confined to them under provisions of CAR.

All Operators shall submit the following documents along with other requirements as specified in CAR for approval as check pilot / instructor / examiner (as applicable)

- Simulator print out of all simulator training undergone (wherever simulator of the Type are available) by the trainee training captain for approval as check pilot / instructor / examiner in compliance of requirements of CAR
- Certificate from the Chief of training / operations that the proposed training captain was not involved in breath analyzer positive case / test during preceding three years.

Above is for strict compliance by all operators.
