The renewal medical may be done anytime from one month before date of expiry of validity of Medical Assessment to the date of expiry of validity. If done earlier or later than that, an NOC is required. Renewal Class-I medical may be done after expiry of validity of previous (but not beyond two years since date of last medical) alongwith NOC. Renewal medical exam is conducted in **IAF centres** and by **DGCA empanelled Class I Examiners** (list below).
