CIVIL AVIATION REQUIREMENTS
SECTION 7 – FLIGHT CREW STANDARDS, TRAINING AND LICENSING
SERIES C PART I
ISSUE II, 12TH OCTOBER, 2017

SUBJECT: MEDICAL REQUIREMENTS AND EXAMINATION FOR FLIGHT CREW/ AIR TRAFFIC CONTROLLER LICENCES AND RATINGS.

1. INTRODUCTION:

1.1 Rule 39B of the Aircraft Rules, 1937 regarding Medical Standards of flight crew stipulates that no licence or rating required for any of the personnel of the aircraft shall be issued or renewed unless the applicant undergoes a medical examination with an approved medical authority and satisfies the medical standards as notified by the Director General.

1.2 Further, Rule 103 of the Aircraft Rules, 1937 which deals with Medical standards of Air Traffic Controller (ATCO) stipulates that no license or rating for any of the Air Traffic Controller shall be issued or renewed unless the applicant holds a medical assessment issued by the Director-General.

1.3 This Civil Aviation Requirement specifies:

i) the medical requirements in accordance with the provisions of ICAO Annex 1 and amendments, if any from time to time, for grant and renewal of various licences and ratings.

ii) the procedure to be followed for the medical examinations; and

iii) the approved medical authorities/designated medical examiners who can conduct the medical examinations.

1.4 This CAR is issued under the provisions of Rule 133A of the Aircraft Rules, 1937.
2. REQUIREMENTS FOR MEDICAL ASSESSMENT

2.1 An applicant for grant/renewal of a flight crew licence/rating shall hold a valid medical assessment issued by DGCA in accordance with the International Standards and Recommended Practices contained in ICAO Annex 1, Chapter 6 and the medical requirements laid down by DGCA in consultation with Director General Medical Services (Air) who is the advisor to DGCA on the matters concerning Civil Aviation. Medical Information Circular (MIC) issued by DGMS (Air) shall be issued as Aeronautical Information Circular (AIC) by DGCA. When the issue of AIC is awaited, the medical examiner shall carry out the assessment of an applicant as specified in the MIC.

2.2 An applicant for a Medical Assessment shall undergo a medical examination based on the following requirements:

   a) physical and mental;
   b) visual and colour perception; and
   c) hearing.

2.3 An applicant for any class of Medical Assessment shall be free from:

   a) any abnormality, congenital or acquired; or
   b) any active, latent, acute or chronic disability; or
   c) any wound, injury or sequelae from operation; or
   d) any effect or side-effect of any prescribed or non-prescribed herapeutic, diagnostic or preventive medication taken;

      such as shall entail a degree of functional incapacity which is likely to interfere with the safe operation of an aircraft or with the safe performance of duties.

2.4 All applicants for a Class 1, 2 & 3 Medical Assessment shall undergo medical investigations for the Initial/ Renewal/ Review Medical Examination as specified by DGCA from time to time.

2.5 The visual, colour perception and hearing requirements as laid down in paras 6.2.3, 6.2.4 and 6.2.5 of Chapter 6 of ICAO, Annex 1, shall be followed for all classes of Medical Assessment.

2.6 An applicant is required to hold a particular class of applicable Medical Assessment as given below:

2.6.1 Class 1 Medical Assessment
a) Class 1 Medical Assessment is required for applicants and holders of:
   - Commercial Pilot’s Licence (Aeroplane & Helicopter);
   - Airline Transport Pilot’s Licence (Aeroplane & Helicopter);
   - Private Pilot’s Licence (Aeroplane and Helicopter) where Instrument Rating (Aeroplane and Helicopter) privileges are required.

b) The Standards and Recommended Practices relating to:
   i) Physical and mental requirements;
   ii) Visual requirements; and
   iii) Hearing requirements as contained in paras 6.3.2, 6.3.3 and 6.3.4 of ICAO Annex 1 respectively, shall be followed for issuance of Class 1 Medical Assessment. In addition, the requirements contained in AICs (Medical) displayed on DGCA Website shall also be complied with.

2.6.2 Class 2 Medical Assessment

a) Class 2 Medical Assessment is required for applicants and holders of:
   - Private Pilot’s Licence (Aeroplane & Helicopter);
   - Pilot’s Licence (Microlight);
   - Student Pilot’s Licence (Aeroplane);
   - Student Pilot’s Licence (Helicopter);
   - Student Pilot’s Licence (Glider);
   - Student Pilot’s Licence (Balloons);
   - Student Pilot’s Licence (Microlight);
   - Flight Radio Telephone Operator’s Licence;
   - Flight Radio Telephone Operator’s Licence (Restricted).
b) The Standards and Recommended Practices relating to:

i) Physical and mental requirements;

ii) Visual requirements; and

iii) Hearing requirements

as contained in paras 6.4.2, 6.4.3 and 6.4.4 of ICAO Annex 1 respectively, shall be followed for issuance of Class 2 Medical Assessment. In addition, the requirements contained in AICs (Medical) displayed on DGCA Website shall also be complied with.

2.6.3 Class 3 Medical Assessment

a) Class 3 Medical Assessment is required for applicant and holders of:

Air Traffic Controller License

b) The Standards and Recommended Practices relating to:

i) Physical and mental requirements;

ii) Visual requirements; and

iii) Hearing requirements

as contained in paras 6.5.2, 6.5.3 and 6.5.4 of ICAO Annex 1 respectively, shall be followed for issuance of Class 3 Medical Assessment. In addition, the requirements contained in AICs (Medical) displayed on DGCA Website shall also be complied with.

2.7 No flight crew shall exercise privileges of a licence/rating, unless he/she holds a valid medical certificate/assessment of appropriate class. While exercising the privilege of a licence, it is mandatory for the flight crew to carry along with the licence their medical fitness assessment issued by DGCA in the format as Appendix ‘A’. When the medical fitness assessment from DGCA is awaited, the flight crew shall carry along with the licence the medical certificate issued by the medical examination centre under para 3.1.2.

2.8 No ATCO shall exercise privileges of a license/ rating, unless he/she holds a valid Class 3 medical assessment. When the medical fitness assessment from DGCA is awaited, the ATCO shall be in possession of medical certificate issued by the designated medical examiner (CA 35).
3. APPROVED MEDICAL EXAMINATION CENTRES

3.1 Class 1 Medical Examination

3.1.1 The Class 1 medical examination for the issue and renewal of licences shall be carried out by the Medical Boards at the Indian Air Force Medical Centres, Civil Medical Centres and DGCA Empanelled Class I Medical Examiners listed in Appendix ‘B’ subject to provision as hereunder:

Rev. 2, 14th November 2017
3.1.2 The medical examiners who have received training in Aviation Medicine, including the President of the Board, of the aforesaid medical centres are authorised to conduct the medical examinations for fitness of applicants for issue or renewal of licences or ratings specified in Rule 38 of the Aircraft Rules, 1937. The President of the Board shall coordinate the results of all examiners and shall submit a final report, under his/her signature to the DGCA for issue of medical assessment. However, he/she shall give a medical certificate of fitness or otherwise to the applicant on form CA 35 on completion of the medical examination.

3.1.3 Permanent unfitness of a licence holder based on a medical examination conducted at the authorised centres, shall be decided after thorough evaluation by specialists and/or specialised investigations only at AFCME, New Delhi or IAM, Bangalore or MEC (E), Jorhat by the medical boards and after approval by DGMS (Air).

3.2 Class 2 Medical Examination

3.2.1 The following authorities can carry out Class 2 medical examinations:

   i) All authorised Class 1 medical authorities (except Dr Balabhai Nanavati Hospital, Mumbai & Apollo Heart Centre, Chennai);

   ii) All DGCA approved Class II Medical Examiners practitioners of modern medicine having a minimum of MBBS qualification and registered with the Medical Council of India and who have received the approved training in the subject of Aviation Medicine at IAM, Bangalore.

3.2.2 The Medical Examiner/ Centre undertaking a Class 1 or 2 medical examination shall submit a written report of medical examination in Form CA-34/34-A as applicable under his/her signature with a seal indicating his qualifications and registration number with name of state medical council in bracket.

   The medical examination report shall be forwarded by registered/speed post to:

   Attn: DMS (CA),
   Medical Cell,
   Office of the Director General of Civil Aviation,
   Opposite Safdarjung Airport,
   New Delhi – 110 003.
3.3 CLASS 3 MEDICAL EXAMINATION

3.3.1 All DGCA Empaneled Class 1 medical examiners & Class 2 Medical Examiners having 3 years’ experience in conducting Class 2 medical examination can carry out Class 3 medical examinations.

3.3.2 After completion of the Class 3 medical examination, the Medical Examiner shall:

(a) Inform the controller whether she/he is fit or unfit and forward the documents to DGCA.

(b) Submit without delay to the DGCA a signed, report containing the detailed results of the Class 3 medical examination, findings with regard to medical fitness, copy of the application form and the examination form (in confidence) by registered/ Speed post to following address:

DMS (CA),
Medical Cell
Directorate General of Civil Aviation
Opp Safdarjung Airport
New Delhi – 110003

(c) Report to DGCA any individual case where, in the examiner’s judgement, an air traffic controller’s failure to meet any requirement, whether numerical or otherwise, is such that exercise of the privileges of ATC ratings is likely to jeopardize flight safety.

(d) Inform the controller of his/her responsibility in the case of medical unfitness, even if temporary.

(e) Inform controller that the medical certificate may be suspended or revoked if the ATCO provides incomplete, inaccurate or false statements in their self-declaration.

3.3.3 Medical confidentiality shall be respected at all times. All medical reports and records shall be securely held with accessibility restricted to authorized personnel.

4. PROCEDURE AND GENERAL REQUIREMENTS FOR MEDICAL EXAMINATION

4.1 An applicant for medical examination should make request for appointment for medical examination directly to the DGCA Empanelled Class 1, 2 medical examiner and civil medical centres. Appointment for Air Force Medical Centres shall be through Centralized Appointment procedure

4.2 Applicants for initial issue of medical fitness assessment are required to produce one passport size colored unmounted photograph of self (3 cms x 4 cms), of the
applicant’s head (uncovered) and shoulders in front view, indicating name, date
in the front and duly attested by competent authority on the back side of the
photograph of self to be affixed on the front page right hand top corner and
below declaration by candidate in CA form 34. The photograph shall be stamped
by the approved medical authority in such a manner that it appears on the form
as well as on the photograph.

4.3 Applicants for issue of Student Pilot Licence may need to obtain a Cockpit Test
Report from the Chief Flying Instructor/ Flight Instructor/ Assistant Flight
Instructor of the Flying Club/ Institute and Instructor of the Gliding Club he
proposes to join only if it is felt necessary by the designated medical examiner
and the requirement is endorsed on the CA 34/ 34A.

4.4 Applicants shall sign and furnish to the medical examiner a declaration:

a) whether they have previously undergone such an examination and, if
so, with what result;

b) any period of sickness, injury, surgical procedure since the last
medical examination;

c) Whether they are taking any drug or medication.

4.5 Any false declaration to a medical examiner made by an applicant shall be
considered a serious lapse and shall be reported by the Examiner to DGCA for
appropriate penal action.

4.6 Applicants are required to pay the following fees prior to commencement of the
medical examination.

<table>

</tbody>
</table>

In addition, applicants are required to pay for all medical investigations
undertaken during the course of medical examination at Air Force Medical
Centres at rates as prescribed by the Air Force medical authority.

4.7 (i) For Flight Crew: Form CA 34 shall be used in case of medical examination
for initial issue of medical assessment and Form 34A for renewal of medical
assessment. The Medical Board/Examiners shall also fill up Form CA 35, a
copy of which shall be given to the aircrew/candidate. The medical records
along with copies of CA 34/34A and CA 35 shall be forwarded to DGCA
Headquarters (Attn: DMS (CA), Medical Cell) by registered post for issue of
medical assessment. The medical assessor at DGCA shall evaluate and
approve the medical reports for issue of medical assessment. The medical
assessor is post graduate in Aviation Medicine from Indian Air Force, who is
qualified and experienced in practice of Aviation Medicine, competent in evaluating and assessing medical conditions.

(ii) For ATCO: Form CA 34 shall be used in case of medical examination for initial issue of medical assessment and Form CA 34A for renewal of medical assessment. The designated medical examiners shall also fill up Form CA 35, a copy of which shall be given to the ATCO/applicant. The designated medical examiner shall forward medical records along with copies of forms CA 34/34A and CA 35 to DMS (CA), Medical Cell, DGCA Headquarters, Opp Safdarjung Airport, New Delhi by registered post for issue of medical assessment. The medical assessor at DGCA shall evaluate and approve the medical reports for issue of medical assessment.

4.8 The final medical assessment shall not be issued in medical conditions ‘Likely’ to occur which in context of the medical provisions of ICAO Annexure 1 Chapter 6 means “with a probability of occurring that is unacceptable to the medical assessor”. The date of medical assessment issued by the Office of DGCA shall be reckoned from the date of medical examination (CA-35). Permission for Review of medical assessment before due date but no more than one month before it expires shall be given by the office of DGCA only (Refer Rule 39C).

4.9 If the medical Standards prescribed in Chapter 6 of ICAO Annex 1 and those laid down by DGCA, for a particular licence/rating are not met, the Medical Assessment shall not be issued or renewed unless the following conditions are fulfilled:

a) Accredited medical conclusion indicates that in special circumstances the applicant’s failure to meet any requirement, whether numerical or otherwise, is such that exercise of the privileges of the licence applied for is not likely to jeopardize flight safety;

b) Relevant ability, skill and experience of the applicant and operational conditions have been given due consideration; and
c) The licence is endorsed with any special limitation or limitations when the safe performance of the licence holder’s duties is dependent on compliance with such limitation or limitations.

4.10 Cases of In-flight in incapacitation shall be reported by the operator to DGCA (Attn: DMS (CA), Medical Cell).

4.11 In-flight incapacitation cases shall be fully evaluated at Special Medical Examination Centres specified in Para 3.1.1 (v). During medical assessment, areas of increased medical risk shall be identified and the cases shall be followed up with continuous re-evaluation of the medical assessment to concentrate on the identified areas of increased medical risk and records maintained.

4.12 The following limitations shall be imposed on the aircrew depending upon their medical conditions

a) ‘Fit to fly as Co-Pilot only’

b) ‘Fit to fly as Pilot-in-Command along with a qualified experienced pilot’.

4.13 Where the medical certificate of fitness issued by a Medical Boarding Centre or the medical assessment issued by DGCA carries the restriction as mentioned in para 4.11 above, the term “experienced pilot” shall mean a pilot who:

a) has no restrictions due to medical conditions;

b) has a current Pilot-in-Command rating on type of aircraft; or a co-pilot meeting the following criteria:

i) has a minimum of 250 hours of experience on type and currently flying the type of the aircraft;

ii) has not been held blameworthy for any incident on type during the preceding two years for his/her proficiency in operating that type;

iii) has not been held blameworthy for any accident on any aircraft for his/her proficiency in operating an aircraft in the preceding five years;

iv) has not shown ‘Below Standard’ performance during proficiency check and/or instrument rating check during preceding two years; and

v) has a suitability certificate issued after suitability check on aircraft/simulator, by an examiner on type indicating that the co-pilot is fit for handling the aircraft, especially during take-off/ and landing.
4.14 In addition to limitations, the aircrew is advised recommendations in the medical assessment. The list of common recommendations is enclosed in the Appendix ‘A’. The recommendations contains only pertinent Medical Information for follow up by the Aircrew and for oversight by the licensing authority.

4.15 No pilot shall carry out any flying if he has been declared unfit on the basis of medical examination (CA-35) till he receives the satisfactory final assessment issued by the Office of the DGCA.

4.16 The aeromedical disposition of the applicant shall be indicated as follows:

(a) Fit

(b) Temporary unfit

(c) Permanent unfit

5 PROCEDURE FOR APPEAL MEDICAL EXAMINATION

5.1 In the event of a pilot being declared temporarily medically unfit for more than three months at a stretch or in aggregate or permanently unfit for issue or renewal of the licence, the applicant may appeal to the DGCA for a review of the medical assessment within a period of 90 days from the date of applicant having been declared unfit.

5.2 The appeal shall be addressed to the Attn. DMS (CA), Medical Cell, Director General of Civil Aviation, Opposite Safdarjung Airport, New Delhi – 110 003.

The appeal shall be sent by registered post with acknowledgement due or by Speed Post or through a reputed courier company or may be delivered in person to the Receipt & Dispatch Section in the O/o DGCA and obtain a receipt for the same. The appeal must be accompanied by the following documents:

a) All documents in original obtained by the applicant from reputed medical institutions/specialists clearly certifying that the applicant is fit for flying an aircraft, as a pilot or co-pilot with specific reference to the cause of unfitness stated in the medical assessment issued by the office of DGCA. The medical practitioner/specialist certifying the fitness in such a case should give sound reasons justifying his opinion.

b) Reports of the medical examination and results of investigations, in original, conducted by the medical practitioner/specialist giving the aforesaid certificate.

5.3 The appeal shall be considered by DGCA, and if found justified, it shall be referred to DGMS (Air). If adequate medical evidence is provided for medical
review, DGMS (Air) may recommend to DGCA an appeal/review medical examination at Air Force Appellate Centres and may also ask for any such investigation/report or opinion of any specialist to determine the fitness of the applicant. In case the appeal for medical review is not found justified, DGMS (Air) shall inform DGCA about the same giving the reasons and the pilot shall be informed accordingly.

5.4 If the medical review is accepted, it shall be carried out at the centre specified for the purpose. The fresh medical examination reports shall be considered to assess the medical fitness of the candidate. The decision of the DGMS (Air) on behalf of DGCA shall be final. The result thereof shall be intimated by the Medical Board to the O/o DGCA and the final assessment shall be issued accordingly by DGCA.

LIST OF COMMON RECOMMENDATIONS

1. Advised to wear bifocal/look over glasses while exercising the Privileges of license and always carry a spare set of spectacles while flying.

2. Next review with Hb, TLC, DLC, Urine RE/ME and ECG (R).

3. Next renewal at AFCME/IAM/MEC (E) only.

4. Advised to reduce weight by diet control, regular exercise and life style modifications.

5. Next review with USG abdomen LFT & RFT.

6. Next review with LFT with enzymes.

7. Next review with executive report on hearing performance while flying.

9. Advised to change glasses.

11. Next review with 2D Echo of heart.

12. Next review with Chest X-ray (PA view).

14. Next review with OCT, RNFL and HVF 30-2 reports.

15. Next review at AFCME/IAM/MEC with ORB scan.

17. Next review with OGTT and HbA1C reports.

19. Next review with Pure Tone Audiogram.

20. Next review with TMT
